Appendix 1: Functionalities of the Provider Account

PROVIDER ACCOUNT CREATION

- a) While creating a new provider account, you may transfer funds from your trading account (internal transfer) or PrimeX wallet to payment account and then to provider account. These funds will be used for trading purposes as the initial equity.
- b) Your name should not contain any obscene language or any elements that are insulting in nature, including racial, religious, nationalistic and ethnic insults.
- c) You can create as many investment strategies as you like, provided they can reasonably be characterized by a different trading style/risk.
- d) We can set a limit on your Provider accounts and notify you once your limit is reached. During this period, you may not be able to accept new follower accounts unless we notify you and you will be excluded from the top-ranking Strategy Accounts provided on our website.

PRIMEX WEBSITE / PUBLICITY

- a) After your new Provider Account is created, it will have its own web page, with account performance, statistics and personal data available in direct link.
- b) The link to this web page will be available in the list of your accounts.
- c) You can edit your personal data.
- d) We may not show link to the web page in the list of your accounts if: it contravenes the Agreement or, certain conditions are not met (poor performance, account inactivity, suspicions of fraud).

WRONGFUL ABUSE OF PRIMEX COPY PROGRAM

- a) If we suspect your attempt to manipulate the ranking parameters, exploit the system's weaknesses or not act in the best interest of your followers, we can: hide you from the leaderboard Rankings on our Website, pause and/or terminate your provider Account and/or disconnect the Follower Accounts from your provider Account.
- b)) If you generate high returns with less than the minimum deposit required for an account type, we can set your provider Account to private.

PAYOUT INTERVAL

- a) The monthly interval starts on the day 00:00 when the initial deposit is made to the investment account and concludes after end of a day period or at the time of the withdrawal by the follower's or Foreign Follower's or at the time of closing of a profitable investment account.
- b) When the payout interval is reached, we will automatically pay you the Performance fee if the followers account is profitable compared to the previous interval.
- c) The end of a Payout Interval designates the beginning of the following Payout Interval.

INACTIVITY OF YOUR ACCOUNT

If you are inactive for ninety (90) days, all the investment accounts following your Strategy Account will be disconnected after we send you a five (5) calendar days prior notice to that effect.

LEVERAGE AND EQUITY REQUIREMENTS

To act in the best interests of the followers and keep your interests aligned, you will:

- a) keep in your provider Account the minimum equity amount as shown on our Website for Followers to be eligible to follow you. If you want to withdraw funds from your provider Account, you must set aside a minimum equity in your provider account.
- b) own only one active investment account that follows your own strategy and can invest no more than the minimum allowed amount.
- c) As the amount of funds from followers increases, you must also increase your own funds and decrease your leverage in your Strategy Account. Your minimum funds and maximum leverage requirements will be shown on our website. We can adjust these levels when we deem it necessary and notify you in advance.
- d) If the followers have reached the maximum number of followers' funds, you will move on the next level and increase your own funds to adjust the leverage on your Strategy Account. If you fail to do so, you will not be able to get additional funds from followers.
- e) If you want to make a withdrawal, you must keep at least the minimum required amount of your funds for your current level as shown on our website.

Appendix 2: Performance Fee

- a) The performance fee represents a percentage of the profits that will be rewarded to you for the follower's positive performance in the follower's accounts following your provider Account. This is paid on the same day from the day of initial deposit and in case of withdrawal or closing of the provider, the higher water mark rule applies.
- b) At the end of each Payout Interval and/or at the time of withdrawal and/or closing of a profitable investment or foreign investment account, you will automatically be paid your Profit Share based on the % of the generated profit for the trading interval (subject to a higher watermark).
- c) At the date when Performance fee is paid, the latest watermark is set.
- d)) The % of Performance fee is set by you when you create a Provider account. You can edit your provider account, and the new fee will only apply to new investment accounts (the old investments account will continue to have the initial % Profit Share).
- e)) In case of partial withdrawal, you will receive a Performance fee that is proportionate to the amount of withdrawal, whichever is earlier.
- f) If the payable Performance fee is < 1 cent USD or < 1 cent EUR, you will receive 1 cent USD and 1 cent EUR, respectively.
- g) The % of Performance fee will be set out in a written format in your personal area on your provider Account.
- h) The highest performance fee a provider can set is 35%.
